

# Message from the President

Dear Members,

It has been a pleasure to continue to serve as your President these past several years and I will continue our next fiscal year 2026-2027. I would like to thank each of you for your membership with Los Angeles Legal Secretaries Association (hereinafter referred to as LALSA) for fiscal year 2025-2026. I am hopeful you gained value and professional development from your membership.

This past year we had several impressive speakers and interesting topics. My goal is to continue to find speakers for our monthly meetings and the possibility of a seminar. We held our annual “Day in Court” in January featuring Nancy Bullock, Director of Civil Operations and Region 3 for Los Angeles Superior Court. As always, we embraced having Ms. Bullock at our annual meeting, as she has always been incredibly supportive of our association. We were informed by Ms. Bullock that she will be retiring. Of course, she will be missed, and we wish her the best during her retirement.

Our fiscal year ends April 30, 2026, and I encourage you to renew your Membership Online for the 2026-2027 fiscal year. Unfortunately, last year we had to increase our membership dues to \$85.00 for New and Renewing Members. I am happy to say there **will not** be an increase this year. **Our membership dues will remain at \$85.00** for New and Renewing Members. Your membership with LALSA also includes membership with Legal Professionals Incorporated (hereinafter referred to as LPI). As a reminder, LPI offers lunchtime webinars for members to attend at no charge or at a discount for members. They also offer online classes/ courses at a discount for members.

**Please renew your membership by going to our website at [www.lalsa.info](http://www.lalsa.info) under the Membership Tab.**

During this pasted fiscal year, we held meetings via Zoom but are vigorously looking to hold in-person monthly meetings. We held two in-person events which were well received and attended. My plan is to try to see if an in-person meeting in Glendale will work during the week.

My ultimate goal is to have in-person meetings in the downtown area. However, if anyone knows of a location in the downtown area or, maybe your firm will allow us to use their conference room, allow us to bring in food, and/or provide parking, please let me know.

If anyone has a speaker (such as an attorney or paralegal in their office) that would like to speak on a specific topic, please send me an email at [president@lalsa.info](mailto:president@lalsa.info). I will do my best to make it happen.

We are more than just a list of members; we are a network of professionals supporting one another. I invite you to get involved in our association or join a committee for an upcoming event to make the most of your membership.

Sincerely,

Linda Lane, CCLS  
President 2026-2027
